#### Salon Policies

- There will be a \$200.00 Deposit required to confirm your date, this money will be applied to the price of your hairstyle. If cancelled or rescheduled within 60 days of your event, a full refund or date transfer (depending on availability) will be provided. If cancelled in less than 60 days, you will forfeit your deposit.
  - All hair being done needs to be washed the night before, or day of the event, and also completely dry at the time of their appointment. I do not bring a blow dryer with me so please make sure everyone is aware of this. If you have natural curl or frizz, and do not wish to work with your natural texture, I do require you to receive a blow out treatment prior to your appointment with me. Please reach out with any other questions about your personal hair prep.
  - Full Payment of services is due 30 days prior to your wedding date.
  - Any last minute changes in the amount of people being done may not be able to be accommodated if more, or result in a loss of your payment if less. I have a minimum of \$350 in services to come to you. The number of people getting done must be finalized no later than when final payment is due. (30 days prior to service) A change in number of people getting done that would entail an additional stylist being present may not be possible.
- \*If you are renting extensions from me a \$100 deposit will be required in addition to my rental fee of \$75. This deposit will be promptly returned upon receiving my extensions back within 2 weeks from day of service at max, and in good condition. If not received within 2 weeks your deposit will be forfeited. I advise requesting a tracking number and insuring your package for \$100 if you are shipping them to me. My return address is 11403 Auburn Rd. Chardon, Ohio 44024.
- \*\*\* If anyone in the party is displaying any symptoms or Covid-19 or other illness, the appointment will be cancelled with loss of your deposit. If you or any member of your party has any symptoms of illness, they cannot be present at the location that we are working. If I am coming to your location, I require a disinfected workspace, with a hard (non-porous) countertop or table and chair available for my use, with an electrical outlet accessible. I also need all others in the area to keep a 6 foot distance from myself and the person that I am working on. I require those receiving an appointment with me to wear a mask during their appointment, and to check their temperature prior to their service. Anybody with a temperature higher than 100.4 F cannot receive their service. I will also require everyone receiving a service to sign a Covid-19 waiver.
